1. Members joining through your link

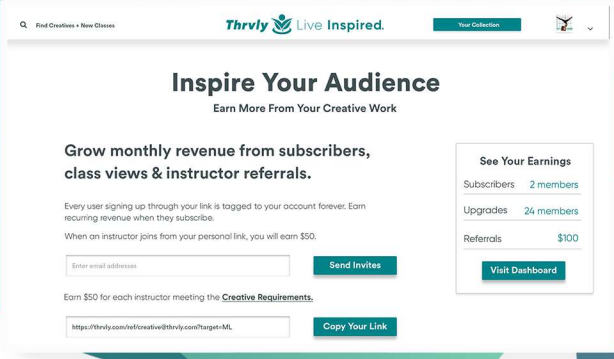

Earn \$10 per month Recurring Revenue for the lifetime of every Subscriber

When anyone joining from your referral link becomes a subscriber.

Earn \$10/mo for the lifetime of their membership.

30 subscribers = **\$300 per month**

50 subscribers = **\$500 per month**

2. Earnings per class view

Receive a proportional share of every member's subscription when they take your class

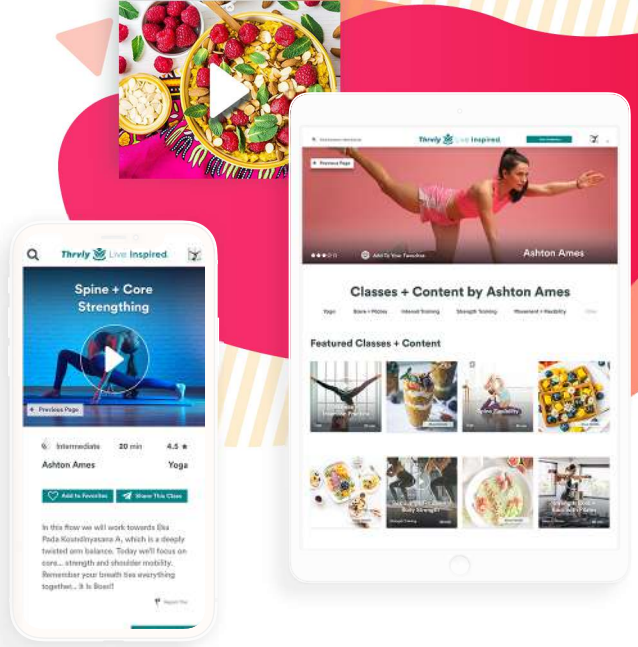

20% of every subscriber's monthly membership is put into a view pool.

The view pool is split proportionally to each Creative they view in a month.

10 classes getting 500 views from the avg member*

10 x 500 x \$.10 = \$500 per month

*views 20 classes in a month
each view = \$.10

3. Referral bonuses for inviting instructors
